

CHIGO Klima Uređaj Moon 12k, Inverter, R32, WI-FI (CS-35V3G-1K268AH8A-W3)

Šifra proizvoda: 2216

Proizvođač: CHIGO

53 550.00 RSD

Neto cena: 44 625.00 RSD

Opis proizvoda

Klima Uređaj Moon 12k, Inverter, R32, WI-FI (CS-35V3G-1K268AH8A-W3) (CHIGO)

Garancija 2+3 godine!

Inverter tehnologija. Gas R32. Energetska klasa **A+++**

Napajanje sa spoljašnje jedinice (napojni kabal NIJE uključen u cenu)

Ugrađen grejač

Bakarne cevi 3m (GRATIS)

Izmenjivač toplote sa tehnologijom zlatnih rebara

Funkcija samo-čišćenja

Panel 268 Beli

WI-FI funkcija

Deklaracija

- **Bruto težina:** 35 kg
- **Marka proizvoda:** CHIGO

A new generation of golden coating

It can improve the hydrophilic characteristics of the fins, keep the fins dry, reduce the dust adhesion and avoid the bacteria breeding. So better improve the heat exchange efficiency and the cooling / heating effect. It strengthens the fins to resist the corrosive elements in the air and moisture to make it more durable.

WiFi control

Connect the air conditioner through WiFi and remotely control the air conditioner with the smart device such as mobile phone at anytime and any place.

3D DC Inverter
high efficiency and energy saving

By combining the high-efficiency DC inverter compressor and extra outdoor DC motor with the 3D DC fan motor, compressor, and fan, the 3D DC inverter can adjust the motor speed and adjust the fan according to the changing environment, making the AC at the most energy-saving situation with maximum energy-saving efficiency.

Fast cooling

The 3D DC inverter runs at high frequency at starting, and reaches the setting temperature with the fastest cooling speed. It can save up to 30% of the electricity.
